NORTHERN DISTRICT OF INDIANA  
HAMMOND DIVISION

IN RE: )  
 )  
PARTNERS CORPORATION, ) CASE NO. 97-60555 JPK  
 ) Chapter 7  
Debtor. )

AMENDED ORDER FOR HEARING REGARDING OBJECTION TO CLAIM

On February 13, 2009, the Chapter 7 Trustee filed an objection to claim #7 of Anderson Financial Network/GTE. The basis for the objection is that "there is insufficient information to verify claim amount; the debt is not listed on the debtors' [sic] schedules and no copy of the claim at the bankruptcy court". There is in fact no copy of this claim in the court's record; however, the court assumes that a claim was actually filed because otherwise there would be no designation of this claim in the claims' registry. The court therefore assumes that through a processing error, the claim was lost by the court. Given that the claimant apparently filed an actual claim, the court does not deem it appropriate to sustain the Trustee's objection. The court deems the most appropriate course to be to allow the claimant to re-file the claim. This is a novel circumstance, with respect to which the court deems it appropriate to conduct a hearing.

IT IS ORDERED that a hearing will be held on **June 19, 2009, at 11:00 A.M.**, to address the manner in which this issue should be determined. If in advance of that hearing, the claimant re-files claim #7, the court will deny the Trustee's objection without prejudice to review of the actual filed claim. If the claimant does not re-file the claim in advance of the hearing, or appear at the hearing, the court will deem the claimant to have an insufficient interest in its claim to proceed any further, and will sustain the Trustee's objection.

Dated at Hammond, Indiana on May 7, 2009.
